CLUB BLAZERS

Club Blazers had long been associated with grumpy old men standing at a bar at the rugby club – however this is now not the case. To be seen wearing a club blazer is ‘cool’, and the louder and more outrageous the better!

Gentlemen & Players are now in the market of blazers for Clubs, Societies and Associations.

Our Club blazers can be made up in any colour and combination you desire. Many adopt their society or club colours – and add a club logo or emblem to the breast pocket. Depending on how much fun you want to have with your club blazer, you can even have an equally outrageous jacket lining!

We can supply two different types

Wool/cotton woven striped:

The traditional woven striped blazer made in the UK (minimum order 6) that are made from fine wool and cotton – these are made fully bespoke to your own design and a club logo or emblem can be added to personalise further.

Polyester/cotton striped:

A less expensive option (minimum order 6) made from a fine herringbone woven polyester and cotton. These may be customised from our off the shelf options with your club emblem or logo.

We can embroider your crest onto the breast pocket of the blazer.

All blazers are specially made to order.

CLUB TIES

Whether it's silk or polyester, printed or woven, and with almost any conceivable design – we have many years' experience in making great ties that really help organisations present a smart, professional image to their customers.
